RE: Lampkin v. UPS. 1:06-cv-00538-WKW

Date: October 16, 2006

Honorable Judge I am asking for an extension on case 1:06-cv-00538-WKW. I have made allegations against United Parcel Service. I filed my papers on June 16, 2006 the attorney who was giving me advice has been out of the country but has returned. I have been speaking with his secretary and she informed me that he is overwhelmed. I called the Clerk's office to see if I can come up and pay another three hundred and fifty dollars and I was told to come up and file for an extension. I stand firmly on my allegations and have no doubt what has happened to me. I have followed all of UPS guidelines and procedures and nothing has changed. Lower seniority employees are still being promoted over me.

I have to find another attorney and my
hundred and twenty days are up I thought this attorney
was going to come and file my summons and he
never showed up. I don't want my case to be thrown
out. I am still pursuing this case. I am asking
kindly and I thank you and respect your decision.

Sincerely

Marcy Debose Lampkin
